The items in this schedule apply to records regardless of medium. Information covered by permanent items may be converted to microform or to electronic format, including optical disk, without further NARA approval. Permanent microform records will be created and maintained in accordance with the standards for archival film contained in the Code of Federal Regulations. Permanent records maintained in an electronic format (whether imaged or other records material) will be created and maintained in accordance with the standards for electronic records contained in the Code of Federal Regulations and will be transferred to the National Archives in a format that meets the standards for archival records in effect at the time of transfer.

Unless otherwise specified, the transfer instructions for permanent series apply only to paper or hard copy files. When NRO establishes an electronic recordkeeping system, NARA and NRO will develop appropriate transfer instructions to cover the electronic records.

See attached for description of records that pertain to Information Technology, Information Assurance, Information Management, and Audiovisual records.
