177. Accounting and Finance. These tables cover records pertaining to administration and operation of the AF accounting system. These are manual and mechanized records accumulated by all AF activities. They are used to show results of accounting operations and to effect the official financial position of the activity. They relate to monies due the AF for sales, service, rentals, and other revenue; values of inventories, equipment, aircraft, buildings, and other assets; monies the AF owes to other government agencies, foreign governments, contractors, and other liabilities; and all other transactions affecting the accounting operations and the financial position of the AF. (NOSTE: In an inactivation, follow the procedures in AFR 177-101, part 2, chapter 1. At overseas accounting and finance offices when circumstances do not permit the regular retention period, or when storage is not available, submit a request for the disposal of copies of retained accounts records to the Commander, Air Force Accounting and Finance Center, for approval.)

- 1. In shipping records to the records center, include copies of pay or leave records which were forwarded to GAO for use in settlement of claims. (If, during the payroll year, a change is made from machine to manual posting or vice versa, interfile the forms used without regard to the differences in size. Make an adding machine tape of the yearly total of net payments. Tape total must equal the net pay total for year shown on the payroll control register. The tape is retained by the civilian pay area, and disposed of with the related payroll register.) Pack records for shipment as stated in chapter 7. List the name and location of all bases, stations, etc., other than the parent organization, for which civilian payroll services were performed during the period covered by the records being shipped.
- 2. At time of inactivation or consolidation of payroll offices, records that have not reached the age specified for disposal will be forwarded to the gaining payroll office, which will dispose of the records in accordance with the disposition schedule. Comply with the requirements of DFAS-DE Regulation 177-104.
