## JUSTIFICATION TO ACCOMPANY THE SF-115 ON TABLE 177-32

The Department of the Air Force needs to add another rule to the job that is currently undergoing your review under NARA Job Number NC1-AFU-85-39. Under the Management Case Files we have authorized base level offices to establish a discretionary file on an as-needed basis. These discretionary files can contain pay adjustment and authorization records based on local needs. In the proposed new table under your review, the management case files begin with rule 67. We propose to add a new rule 70 as outlined in the enclosed decision logic table and renumber the proposed rules 70 through 77 as 71 through 78. The proposed disposition criteria for the discretionary files will adequately meet the needs of the Air Force. Recommend approval for the additional rule.
