TABLE 75-6

HIGHWAY TRAFFIC CONTROL AND SUPERVISION RECORDS

	A	B	C	D
Rule	If the records are or pertain to	consisting of	which are	then
*1	permissible motor vehicle operating distance (POD)	letters establishing a local POD and letters requesting to exceed the local POD approved by the local vehicle authorization/utilization board (VAUB)	established by the vehicle operations officer (V00) and kept by the requesting vehicle control officer (VCO)	destroy when superseded, obsolete, or no longer needed.

JUSTIFICATION TO ACCOMPANY THE SF115 ON TABLE 75-6, RULE 1

This rule needs to be updated with clearer information on the local permissible operating distance that must be approved locally by the vehicle authorization/utilization board. The disposition as currently listed in AFR 12-50, table 75-6, rule 1, does not allow for the obsolete and/or superseded PODs to be destroyed. This change in language and disposition will adequately satisfy Air Force requirements.

Request your favorable consideration and approval.
