1	<p>MEDICAL, STATISTICAL, AND RELATED REPORTS (Table 168-6) (Applicable Air Force-wide)</p> <p>The purpose of the Medical Expense and Performance Reporting System (MEPRS) for DOD Medical Operations is to provide consistent principles, standards, policies, definitions, and requirements for accounting and reporting of expense, manpower, and performance by DOD fixed military medical facilities. The MEPR is the basis for establishing a uniform reporting methodology that provides consistent financial and operating performance data to assist managers who are responsible for health care delivery in the fixed military medical system.</p> <p>Rule 8. The computer data outputs at major commands (MAJCOMs) are source data for preparation of budget and statistical reports used for resource allocation. The Expense Assignment Subsystem (EAS) is designed to perform computations required to allocate costs from one work center to other work centers. The MEPR is the output product of the EAS which meets the quarterly reporting requirement of the DOD. The 5 year disposition is necessary for analytical and audit purposes.</p>		
2	<p>Rule 9. The MEPR and other standard EAS reports at HQ USAF are necessary for budget, management, and economic analysis. The 5 year disposition is necessary as these records assist in measuring productivity, development of performance standards, development of programs estimating equations, categorization</p>		5 items

	of management effectiveness, and determination of areas requiring management emphasis.		
3	Rule 10. The MEPR and other standard EAS reports at MAJCOMS and medical treatment facilities (MTFs) are necessary also for budget, management, and economic analysis. As these records are created at MTFs and originals are sent to HQ USAF, a 2 year disposition is sufficient to meet their analytical needs.		
4	Rule 11. MEPRS summary reports, other reports and related data at MTFs are used for analysis purposes and for resource and budgetary management. The 2 year disposition is sufficient to meet their needs.		
5	Rule 12. The Automated Source Data Collection (ASDC) Quarterly Tapes at MTFs are data transformed into computer products as described above. As such, the 1 year disposition is sufficient.
