	SOURCE RECORDS (Table 124-6) (Applicable to Air Force Office of Special Investigations (AFOSI) Only)		
1	Rule 8. Deleted, as source register (OSI/C) record is a duplicate of Rule 13 source register (CS) record. There is no difference between a source contact and a coded source. Current Rule 8 records will be disposed of under Rule 13. Source registers are not retired to WNRC because it is a listing of current and previous sources. It is retained primarily at the OSI District (field extensions) level for 15 years to provide immediate access to information which would indicate whether a person in question is, or was, an AFOSI source at that district. The register also shows what number has been assigned to each source, and these numbers and not source names are often noted on the source files (dossiers).	NC1-AFU-76-22	
2	Rule 9. "(Before 1984)" is added to description of source register, so as to indicate cut-off date of this record. This AFOSI Form 153 was discontinued three years ago.	NC1-AFU-76-22	
3	Rule 10. Delete, as AFOSI Form 153 was discontinued three years ago, and AFOSI field extensions no longer have this record.	NC1-AFU-76-22	
4	Rule 13. Location of these records is changed to hold these 15 year records at AFOSI field extensions as well as at HQ AFOSI. Reason is explained in Item 1 above.	NC1-AFU-76-22
