1	<p>ADMINISTRATIVE PATIENT RECORDS (Table 168-3) (Applicable Air Force-wide)</p> <p>Rule 9. We are changing the disposition of emergency room control registers to 2 years vice 5 years, which is sufficient to meet Air Force hospital requirements. The Air Force Surgeon General's office contacted the Joint Commission on Accreditation of Hospitals (JCAHO), which stated that the JCAHO does not specify a recommended retention of these registers, as this is normally a decision of the hospital organization management staff, or in obedience of local/state statutes. Current JCAHO guidance for maintaining emergency room control registers is attached.</p>	NC1-AFU-79-38
