JUSTIFICATION TO ACCOMPANY SUBMISSION OF NEW TABLE 80-6

The Air Force needs to cover the Contractor Independent Research and Development Program Records in a separate table. Currently, table 80-1, rules 8 through 10 cover some of these records.

We need to expand the coverage of these records by adding the locations and vary the dispositions of these records depending on the locations.

Mr. Dick McKay of NARA discussed disposition of these records with representatives of the Air Force.

The proposed disposition criteria will adequately serve Air Force requirements.
