1	<p>ADMINISTRATIVE SYSTEMS MANAGEMENT (TABLE 4-1, RULE 5) (APPLICABLE AIR FORCE-WIDE)</p> <p>SAF/AADA (Plans) asked us to add two new rules for the disposition of the Information Management Workload Reports, computer graphs and reports (AF Form 1); and the source documents. The proposed 3-year retention allows for maintaining two current years of information and discarding the oldest records when 3 years of data is accumulated. And to destroy the source documents after 1 year. In addition, the proposed dispositions satisfy the requirements of Air Force Regulation 26-1, Vol III, as well as internal records management needs of base Information Management. It assures necessary record keeping for verifying the accuracy of workload factor data used in aggregation, annual application of AF Manpower Standards and would help support requests for additional manning.</p> <p>Request you approve this request for inclusion in our disposition standards.</p>
