CATALOGING RECORDS (T72-1)
(Applicable Air Force-wide)

This is a revision to our table 72-1. The purpose of this submission is to schedule rule 17 to cover the disposition of Cataloging Project Files. These documents are initiated at all levels of Cataloging Management to track progress on currency and updates to the Federal Supply Catalog system. Usage can be as frequently as daily until action is completed; then management evaluation and problem solving take place, on the average, for the next two years. At the end of 2 years, the document can be destroyed.

We attach a copy of our proposed disposition instructions.
