1	<p align="center">STAFFING (TABLE 40-2, RULES 10-11) (APPLICABLE AIR FORCE-WIDE)</p> <p>Our office of Civilian Personnel (AF/DPC) requests that we change the disposition of the Promotions records because the current disposition does not provide enough time for the filing of class action complaints. The possibility exists for the destruction of important records before the office of the Air Force Civilian Personnel Management Center (AFCPMC) at Randolph AFB, TX, receives notification that a class action complaint has been filed. Therefore, they want to maintain the records for 5 years instead of 2.</p>		
2	<p>At the same time, AF/DPC requests that we add a new rule to cover the disposition of the Recruitment records. Our regulation on the disposition schedules does not adequately cover the records pertaining to the recruitment program of college graduates with high management potential interested in careers as federal employees with the US Air Force. Here too, they need to maintain the records for 5 years in case they receive notification that a class action complaint has been filed.</p> <p>Request you approve this request for inclusion in our regulation.</p>
