1	<p>Claims Files for Agent Orange Litigation Case (Table 112-1) Applicable to AF/JACC</p> <p>The purpose of this submission is to add a rule to cover the special DOD Agent Orange Collection of documents. This collection was created as a result of the multi-district, class action lawsuit, styled, In re: "Agent Orange" Product Liability Litigation, Case No. MDL 381, U.S.- District Court, Southern District of New York. The case was filed in 1979 by Vietnam veterans against chemical company manufacturers of Agent Orange and the United States. This case had, and still has, national interest and will be of interest to researchers for years to come. We believe the collection should be kept as a permanent collection.</p> <p>We will add rule 4.2, table 112-1 to cover this collection. See attached letter for more information about this collection.</p> <p>We wish to offer these records to National Archives immediately.</p>
