	TRAINING MATERIALS (Table 50-4) (Applicable Air Force-wide)		
1	Rule 3. Added "at other commands" in Column C in order to distinguish these curriculum training materials records from those in added Rule 3.1.		
2	Rule 3.1. Added to destroy curriculum training materials records at Air Force Security Assistance Training (AFSAT) 8 years after weapons system/equipment is phased out from the USAF inventory. Reason is that USAF weapons systems/equipment are sold to foreign countries which continue to operate them after their phaseout from the USAF inventory. As a result, Air Force is required to provide training support via Mobile Training Teams or contractor training under Security Assistance sponsorship for items no longer in its inventory. Much of the leadtime and cost involved in redeveloping training courses/programs is saved if a copy of the training materials from discontinued USAF courses is retained for future Security Assistance use.		
3	Rule 3.2. Added as a temporary reference rule to tell Air Force offices that these formerly Rule 3.1 periodic curriculum histories are now covered for disposition in Rule 16. These records are not retired to records centers.
