List of Withdrawn Items
That Had Been Proposed for Early Disposal
in N1-AFU-96-16

Notes: The items listed below have been marked through diagonally on the SF 115. They had been proposed for early disposal ("ED") in N1-AFU-96-16 but have now been withdrawn from the job because of their apparent value in protecting legal and financial rights or for other reasons as noted. Therefore, the records covered by them are not authorized for disposal until their approved retention periods expire. All items cited are from AFR 4-20, Vol. 2. (Notes: (1) The other items marked through horizontally in the SF 115 were not intended to be included in this job because they were not proposed for early disposal. (2) The large stamped wording "DESTROY" and "DO NOT DESTROY" was placed by Air Force on the pages of this job.)
