1	ADMINISTRATIVE ORDERS (Table 37-13, R2.01 & 2.02) (Applicable Air Force-wide)  Rules 2.01 and 2.02. Needs clarification to eliminate an expensive and labor intensive project generated by an oversight in N1-AFU-95-5 approval. Current and proposed dispositions are attached.  JUSTIFICATION: Approximately 40 years of records were shipped to Federal Records Centers (FRC) in numerous of boxes, with more than one series of orders. The changed disposition approved in N1-AFU-95-5 requires we retroactively apply this disposition; to include all of the records in storage at the FRCs. The FRCs would have to ship all of these boxes back to the originators. All other series of orders would have to be removed, reboxed, and shipped back to the FRCs. The cost of this project would be astronomical. Adding a clarifier to the current disposition would alleviate this problem.	N1-AFU-95-5
