	<p align="center">PROMOTION AND DEMOTION RECORDS (35-8) (Applicable Air Force-wide)</p> <p>Airman Promotions. The attached change to AFM 12-50, table 35-8, is to provide reduced disposal standards for documents accumulated at major command level which are used in assisting Consolidated Base Personnel Offices in carrying out the objectives of the Airman Promotion Program. At present the documents are maintained for one year at major command level. This is unnecessary since the major command is a monitoring agency only, and the documents are not a part of board proceedings. The originals of subject documents are maintained at Air Force Military Personnel Center (AFMPC). The disposition in present rule 5.1 for AFMPC is unchanged. The proposed disposition of destroying six months after end of month in which final action is taken at major command level is considered adequate for Air Force needs.</p> <p>(Submission of this request to GAO is not contemplated nor considered necessary).</p>	<p>NN-173-204 (35-8/5.1)</p>
