	<p><b>HISTORICAL PROGRAM RECORDS (210-1) (Applicable Air Force-wide)</b></p> <p>Source Documents. The attached change to AFM 12-50, table 210-1, rule 7 is to reduce the retention period for documents used as feeder reports prepared by subordinate elements for submission to a higher organization. At present, the documents are maintained for 2 years, which is unnecessary because the consolidated history is maintained at a higher level. By changing the disposition in rule 7 to destroy when no longer needed, or after 2 years, whichever is sooner, would allow subordinate units to destroy subject documents after the next history input is submitted. On the other hand, the elements requiring the documents for any part of the currently authorized 2 year period may still retain them.</p> <p>(Submission of this request to GAO is not contemplated nor considered necessary.)</p>	<p>NN 170-33 210-1/7</p>
