1	PERSONNEL SECURITY INVESTIGATIONS (124-6) (Applicable Air Force-wide) See attached table 124-6, rule 6, revising the current rules 6, 7 and 8 as a single rule. A reevaluation was conducted by AFOSI for this documentation and a determination made that the information contained in this series has little value beyond assisting commanders at the time the information is obtained, in the screening of personnel who desire access or positions on military installations. The files are not used for security clearance actions and their usefulness is terminated upon review by the requesting authority. The above disposition has been determined to be sufficient in providing all legal and administrative requirements of the Air Force.	T124-6 Rule 6
