1	PEACETIME PROGRAM RECORDS (27-1)  See attached table 27-1, rule 11.2 which establishes a separate series and provides disposition instructions for Command Control and Communications Program (C <sup>3</sup> P). This system controls the scope of the major categories of programs and associated resources of DOD components, and is closely aligned with the annual budget cycle. The USAF Force and Financial Program (F&FP) and the USAF program documents (P-series) have been developed to relate directly in structure and content to the DOD Five Year Defense Program (FYDP). The retention period will adequately serve all legal and administrative requirements of the Air Force.	DLT 27-1 Rule 11.2
