

INACTIVE - ALL ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: NC1-AFU-77-008

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

Description:

In 1989, Air Force submitted N1-AFU-90-003 to cover all of their temporary items in AFR 12-50, Volume II, Disposition of Air Force Records (dated 1987) under a single job number. This schedule contains only temporary items, has not otherwise been superseded, and significantly predates the 1987 manual. Therefore it is assumed that this schedule is superseded by N1-AFU-90-003.

	<p align="center">FOOD SERVICE RECORDS (Table 146-1) (Applicable Air Force-wide)</p> <p>The purpose of this submission is to revise descriptive and/or disposition criteria for food service records created under the Subsistence and/or Monetary Credit Allowance Management Systems. Several other related record series are included in our proposed decision logic table.</p> <p>The Subsistence Credit Allowance Management System (SCAMS) is used for determining and managing the cost of subsistence for appropriated fund food service facilities. It is based on a signature headcount and a basic daily food allowance that determines an authorized monetary allowance. The monetary allowance establishes a credit for subsistence with a military commissary.</p> <p>The Monetary Credit Allowance Management System (MCAMS) is used for appropriated fund food service facilities at remote or isolated units that cannot economically or effectively obtain subsistence from a military commissary. It is also based on a signature headcount and a basic daily food allowance. However, under MCAMS, the monetary allowance is paid to the dining hall account by the supporting base accounting and finance officer. Although local purchase of subsistence is authorized, military commissary resources are used to the maximum extent possible.</p> <p>The retention periods proposed in the attached decision logic table will satisfy our current requirements.</p>	<p>NN 170-33</p>
