1	PERSONNEL DATA SYSTEM-OFFICER(PDS-O) AND-AIRMAN(PDS-A) (Table 30-4) (Applicable Air Force-wide) This submission would allow the destruction of daily strength data immediately after the necessary posting to the records to which the data pertains, instead of having to maintain it for one year. If the data is required for a longer period of time, the option will still be there to maintain it for one year and then destroy the data. The option to destroy the documentation after the necessary reconciliations are made will eliminate a large volume of documentation which is currently taking up urgently needed space. (Submission of this proposal to GAO is not contemplated nor considered necessary)
