Item 124/1/1

SUPERSEDED AND OBSOLETE ITEMS

The remaining items on this schedule may no longer be used to disposition records. They are superseded, obsolete, filing instructions, non-records, or were lined off and not approved at the time of scheduling. References to more recent schedules are provided below as a courtesy. Some items listed here may have been previously annotated on the schedule itself.

In 1989, Air Force submitted N1-AFU-90-003 to cover all of their temporary items in AFR 12-50, Volume II, Disposition of Air Force Records under a single job number. It is therefore assumed that all of the temporary items on this schedule were superseded by N1-AFU-90-003.

The current 124 series tables consist of 11 tables. This revision has reduced the total number of tables in the 124 series to 7. Changes to the current rules are preceded by a star. The 25 year retention period for rule 1 is warranted to protect the legal and fiscal rights of the government. The 15 year retention period for rule 4 is warranted for the same reason outlined for rule 1. A determination was made that "Zero Files", rules 10 and 11, have a continuing value to the investigative efforts of AFOSI Field Extensions for a period of 2 years. HQ AFOSI should retain record copies for a period of 15 years as a back up for the AFOSI Field Extensions.
