PRIORITIES AND ALLOCATIONS RECORDS
(Table 78-4) (Applicable Air Force-wide)

The purpose of this submission is to revise disposal authorities for documents reflecting actions taken, by authority delegated under Title I of the Defense Production Act, to determine and enforce selective preferential claims in the production and distribution of goods and services and to allocate industrial resources, materials, services and facilities to meet the preferred claims.

NN
170-33

Selected documents on organization and functions, policies, and procedures of the material and priority system are proposed for permanent preservation. These are chronologically arranged documents accumulating at less than one cubic foot per annum. There are no routine access restrictions, and if accepted, will be offered after 25 years.

Acronyms used in the schedule include DMS for Defense Material System, DPS for Defense Priority System, and JAMAC for Joint Aeronautical Material Activity.

GAO has concurred.
