	PERSONNEL IDENTIFICATION AND PASS DOCUMENTATION (Table 30-2) (Applicable Air Force-wide)	<i>NCI-AFU-<del>7-10-81</del></i>
	The purpose of this submission is to change column D, table 30-2, rule 11. The DD Form 1172, Application for Uniformed Services Identification and Privilege Card, may be issued at any Air Force or Army installation when proper documentation is presented. The DD 1172 does not indicate where the last document is filed, therefore, verifying office may not know when a new form is issued and is unable to comply with the present requirement to destroy when superseded by a new application or destruction of related credential, as applicable. We need to make disposition criteria explicit enough so that the verifying offices will know when to destroy their documentation. The revised disposition standard to destroy upon receipt of processed application which supersedes application on file, or at the end of the year in which the ID card expires, as applicable, will meet the requirement.
