1	<p>STAFFING (Table 40-2) (Applicable Air Force-wide)</p> <p>The purpose of this submission is to change rule 11 from supervisory appraisals to civilian potential appraisals and establish a new retention period. The new appraisal form (AF Form 1287) is an Air Force requirement and will replace the previous potential appraisal. We recommend that the new potential appraisals be destroyed after 2 years or when employee separates, whichever occurs sooner. A note has been added to clarify that the old appraisal forms will be disposed of according to the new retention period. The rationale for the 2 year retention period is as follows:</p> <p>The Personnel Data System - Civilian (PDS-C) has been reprogrammed to include the history file of each employee's Civilian Personnel Appraisal (CPAS) ratings, for a period of 5 years. Hence, there is no longer the need to maintain in the Official Personnel Folder actual copies for the five year period of time. Essentially, the 2-year period specified will provide for the current CPAS rating (AF Form 1287) and the previous annual rating.</p> <p><i>Mass Data Change Sheet Not Required.</i></p>	NCI-AFU-81-50 NCI-AFU-82-8 (Withdrawn)
