The documentation consists of Optional Form 69, Assignment Agreement, and related documents accumulated during the assignment. Sometimes these personnel are assigned Air Force employees or Air Force employees on detail. If the documents are not more appropriately filed in the Official Personnel Folder, the documentation may be destroyed 2 years after assignment ends or at the end of the period of obligated service required of an Air Force employee returning to his/her position, whichever is later. This retention period will adequately serve the Air Force's administrative need of the documents (sample of the OF 69 is attached).</p>	NCI-AFU-81-48	<i>Item</i>
