	<b>PROGRAM ADMINISTRATION RECORDS (Table 50-1) (Applicable Air Force-wide)</b>		
	Air Force proposes addition of two rules and a note covering student critiques to Table 50-1. All critiques are maintained by the applicable base Technical Training Evaluation (TTE) Branch. If critiques prove that corrective action is required within base support facilities, TTE prepares separate documentation to initiate the corrective action.		
1	Rule 23 will cover those critiques prepared by students attending courses contracted by Air Training Command (ATC) through civilian industrial activities. These critiques are used as a tool in identifying needed corrective action at contract renewal time. As such, disposition is considered reasonable and appropriate.		
2	Rule 24 will cover those critiques prepared by students attending courses conducted by Air Force employees on Air Force bases. With certain exceptions, per note 4, there is no need to keep these critiques much longer after all action has been completed.		
3	Note 4 covers exceptions to disposition of Rule 24 documents.
