

# NOTICE - SOME ITEMS SUPERSEDED OR OBSOLETE

## **Schedule Number: NC1-AFU-82-052**

Some items in this schedule are either obsolete or have been superseded by new NARA approved records schedules. This information is accurate as of: 12/1/2024

### **ACTIVE ITEMS**

These items, unless subsequently superseded, may be used by the agency to disposition records. It is the responsibility of the user to verify the items are still active.

Item 35/1/17

### **SUPERSEDED AND OBSOLETE ITEMS**

The remaining items on this schedule may no longer be used to disposition records. They are superseded, obsolete, filing instructions, non-records, or were lined off and not approved at the time of scheduling. References to more recent schedules are provided below as a courtesy. Some items listed here may have been previously annotated on the schedule itself.

In 1989, Air Force submitted N1-AFU-90-003 to cover all of their temporary items in AFR 12-50, Volume II, Disposition of Air Force Records under a single job number. It is therefore assumed that all of the temporary items on this schedule were superseded by N1-AFU-90-003.

INDIVIDUAL MILITARY PERSONNEL RECORDS  
(Table 35-1)

1	<p>The purpose of this submission is to establish disposition authorities ( rules 17 and 18) for Civilian/Military Service Review Cards for civilian/contractual personnel as described in Section 401 of Public Law 95-202 (extract attached). The Air Force is the executive agent for the Department of Defense to determine group recognition for these cases. Individual recognition is then determined by the appropriate Service, through submission of individual applications. The control cards for these cases are the only ready reference identifying former Women's Air Force Service Pilots (WASP) and others who have applied for and have been granted Honorable discharges by the Air Force under the provisions of Public Law 95-202. Since the public law does not contain a cut-off date for applications, there must be some means of identifying personnel to preclude issuance of more than one discharge to the same individual. (Some of the WASPs had various names since their service years) Disposition requested for those cards held at the Boards and Correction Section, Air Force Manpower and Personnel Center (AFMPC/MPCDOA) is "<del>destroy 75 years after determination of service credit or when no longer needed, a note giving the offer date.</del> retire as permanent"</p>

	<p><del>whichever is sooner." We need to keep for 75 years to coincide with the retention period suggested for the disposition of master military personnel records. At offices other than AFMPC/MPCMDOA a 2-year hold after the service credit is made will take care of their administrative needs. Therefore, disposition for rule 18 should read "destroy 2 years after service credit determination is made."</del></p>
