1	<p>CLASSIFICATION AND ASSIGNMENT RECORDS (Table 35-4) (Applicable Air Force-wide)</p> <p>Rule 30 has been enlarged to include rule 31. Rationale for change is that the functional managers are required to monitor the advanced academic degree (AAD) program and validate as required by HQ USAF current AAD requirements. Approved Air Force Form 1779 must be retained until the AAD requirement is deleted from the manpower system. Supervisors at various levels request establishment of AAD requirement; MAJCOM disapproves request or forwards to HQ USAF for approval and monitors program. The disposition for rule 30 remains the same. It satisfies the administrative needs for these records. Rule 31 is reserved.</p> <p><i>No mass data change sheet required.</i></p>	NN-173-219	<i>1 item</i>
