	<p>PERFORMANCE REPORTING AND QUALITY CONTROL RECORDS (Table 35-5) (Applicable Air Force-wide)</p> <p>This submission updates the rules on the Digest Files on Officers. The Digest File policy has undergone major revisions. HQ AFMPC/Officer Personnel Records Review Board Digest File functions and responsibilities have been delegated to Major Air Command Commanders. Term interim Digest File has been replaced with the term pending Digest File. Most importantly, by law under Defense Officer Personnel Management Act (DOPMA) (10 USC 617), we are now required to retain the Digest Files on officers identified by promotion boards for show cause action longer than currently authorized by AFM 12-50.</p> <p>This change impacts on officers commanders and Judge Advocates Air Force-wide. The impact of the present disposition is extremely heavy at the AFMPC and ARPC level, especially after 3 years. After this period no documents are available to refer to regarding an inquiry or complaint from individuals affected. By adding rule 20, and streamlining the remaining rules a more balanced control is provided to Air Force Manpower and Personnel Center (AFMPC) and the Air Reserve Personnel Center (ARPC).</p>	NCI-AFU-77-79	2 items
