## **Schedule Number: NC1-AFU-85-012**

All items in this schedule are inactive. Items are either obsolete or have been superseded by newer NARA approved records schedules.

### Description:

In 1989, Air Force submitted N1-AFU-90-003 to cover all of their temporary items in AFR 12-50, Volume II, Disposition of Air Force Records under a single job number. The two schedules match. This schedule was therefore superseded by N1-AFU-90-003.

1	MORALE, WELFARE, AND RECREATION (Table 215-1) (applicable Air Force-wide)  The purpose of this submission is to add rule 6.1 to cover the Morale, Welfare, and Recreation Master Plan. The plan is developed annually and covers the various facets of the entire program, including facilities, programs, annual and long-range goals of three to five years. The plans may be destroyed after 4 years. This would maintain the current plan and the preceding three plans. This allows the plans to be reviewed for continuity in the long-range goals sections. It is very important that major goals do not suddenly appear in the annual goals without tracking through the long-range section. Also, an adequate planning history makes the annual update much easier.  Rule 6 is being reworded in column A to read "Tri <sup>e</sup> annual survey and program prioritization"; column B is described as base survey results used in program planning. Retention remains the same.	NCI-AFU-82-10, Item 1 (Table 215-1, Rule 6)
