Provost Courts

Headquarters & Service Command, 8232 AU, ca. 1952, 12 in.

1. Provost Court Case Files, ca. 1950-52, 12 in.

Provost Court Case Files contain a variety of documentation which includes Warrants of Arrest, Charge Sheets, Commitment Sheets, Subpoena's for Witnesses, petitions submitted by families and attorney's of those charged with an offense, replies by the Provost Court to petitions, information provided to families by the Provost Court regarding access and visiting privileges, statements of cases by witnesses, Summaries of Evidence, newspaper clippings, General Provost Court Action Sheets, Orders to Confine, Japanese anti-Occupation brochures, pamphlets and leaflets, English translations of anti-Occupation brochures, pamphlets and leaflets, photographs, lists of evidence pertinent to court cases, trial records and transcripts of records. These records contain information regarding searches, arrests, trials, convictions and sentencing of individuals engaged in activities such as theft, forgery, printing and distribution of anti-Occupation material, and conspiracies to collect material information in regard to the location, numbers, logistics, installations and facilities of Occupation Forces and information concerning the Japanese Police Force. It was believed that the printing and distribution of anti-Occupation material, and the collection of material information on the Occupation Forces and the Japanese Police were activities inimical to the security of the Occupation of Japan.

Records describing minor offenses would generally be disposable. However, because these records are intermixed with records documenting more significant aspects of the Occupation of Japan by U.S. Forces, and because the entire volume is so small, all records should be retained.

Permanent. Offer to NARA immediately upon approval of this schedule.

Records pertaining to minor offenses may be destroyed during archival processing.
