Background Information **AR 600-8-104, Army Military Human Resource Records Management prescribes Army policy for the creation, administration, maintenance, and disposition of the Army Military Human Resource Record (AMHRR). AMHRR is an umbrella term encompassing human resource (HR) records for Soldiers, retirees, veterans, and deceased personnel. The AMHRR includes, but is not limited to the official military file (OMPF), finance related documents, and non-service related documents deemed necessary to store by the Army. The AMHRR , excluding the OMPF, is a collection of nonpermanent documents with various retention periods. Additional folders within AMHRR (non-official military personnel files) are contained in iPERMS to assist the Army in preserving valid information on a Soldier for a specific period of time. These documents/folders are stored in iPERMS until the end of the retention, and will not be transferred to NPRC.**

The proponent for this regulation is the Deputy Chief of Staff, G-1, Commander, U.S. Army Human Resources Command, 1600 Spearhead Division Avenue, Fort Knox, KY 40122-5402. The inclusive dates of these records are from 2002 to present.
