Background Information

Engineering Manual (EM) 1110-1-1005 Control and Topographic Surveying; Provides guidance on performing detailed site surveys of military installation facilities and civil works projects. Technical specifications, procedural guidance, and quality control criteria are outlined for developing large-scale site plans used for engineering drawings of planned projects, or detailed as-built feature mapping of completed facilities.

Waterway and boundary maps. These records concern information on the preparation and distribution of maps, charts, brochures, pamphlets, and comparable information, showing improved waterways, water resources facilities, principal waterways, navigation and flood control project maps, division and district boundary charts, and related matters. Included are original tracings, worksheets, graphs, sketches, other backup data used in their preparation, and similar information. The proponent for this regulation is the Army Corps of Engineers. Inclusive date range of records stored is 1970 to present.
