Background Information The functional category for records in this request is governed by AR 71-9, Warfighting Capabilities Determination. ECOP supports situational awareness and common visibility of equipment requests staffed through the chain of command for endorsement, validation and resourcing. The system is used by headquarters staff elements, Army commands, Army service component commands, direct reporting units, and Army Reserves, and National Guard agencies to request mission essential equipment, usually in connection with a named operation. Records in the system date from 2006 to present.
