OFFICE ADMINISTRATIVE HOUSEKEEPING FILES

Office Administrative Housekeeping Operations

These files relate primarily to the housekeeping operations within any office in the Army. They do not relate to the functions or mission of an office. They accumulate because an office exists; they are not why an office exists. More specifically, these files accumulate because of the day-to-day administration of an office and its personnel. Housekeeping files must be maintained so they are distinguishable from files documenting the functions or mission of an office. These files may be kept decentralized in each office, centralized in one office, or a mixture of both depending on what is best for each activity.
