	<p>Background A recommendation was made and approved by the HQDA proponent that the DA Form 759, Individual Flight Record and Flight Certificate, be pulled from the soldier's Individual Flight Record (IFR) Folder at the Transition Center and sent to the Official Military Personnel File (OMPF) custodian for inclusion in the OMPF All information in the IFR Folder appropriate for inclusion in the OMPF is annotated on the DA Form 759 The remainder of the contents of the IFR Folder will be given to the soldier at time of separation The OMPF has been declared a permanent record by the Archivist of the U S Current instructions in AR 600-8-104 are to pull the DA 759 and include it in the separation package created at the Transition Center. It does not, however, include it in the documents contained in the OMPF This action, along with the requested changes to AR 600-8-104, AR 95-1, and FM 1-300 should amend the business process the get the DA 759 made part of the OMPF The current disposition says to: "Forward with the individual personnel records jacket on reassignment, change of duty status, retirement, discharge, or death of the individual " This file follows the aviator throughout their Army career and then is retired to ARPERSCOM for further processing If the aviator has a recall commitment after initial separation, ARPERSCOM holds the file until the recall commitment period ends. As it stands right now, ARPERSCOM is holding the entire file indefinitely since the DA 759 is not PERMed and included in the OMPF This action formalizes the current business process for the IFR Folder</p> <p><i>cc.
