

NOTICE - SOME ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: N1-AU-04-002

Some items in this schedule are either obsolete or have been superseded by new NARA approved records schedules. This information is accurate as of: 5/1/2024

ACTIVE ITEMS

These items, unless subsequently superseded, may be used by the agency to disposition records. It is the responsibility of the user to verify the items are still active.

Active: item 1

SUPERSEDED AND OBSOLETE ITEMS

The remaining items on this schedule may no longer be used to disposition records. They are superseded, obsolete, filing instructions, non-records, or were lined off and not approved at the time of scheduling. References to more recent schedules are provided below as a courtesy. Some items listed here may have been previously annotated on the schedule itself.

item 2 is superseded by DAA-GRS-2016-0016-0002

7 ITEM NO	8 DESCRIPTION OF ITEM AND PROPOSED DISPOSITION	9 GRS OR SUPERSEDED JOB CITATION	10 ACTION TAKEN (NARA USE ONLY)
	<p>Research Medical Volunteer Registry</p> <p>Background The Research Medical Volunteer Registry was scheduled in Feb 87 under NARA Job Number N1-AU-86-52 with a disposition of destroy after 65 years. AR 70-25 - Use of Volunteers as Subjects of Research, reflects the present legal requirements pertaining to the use of humans as research subjects funded by research, development, test, and evaluation appropriations</p> <p>The USA Medical Research and Materiel Command, Ft Detrick, MD, has requested the retention period be changed from 65 years to 75 years. Since 1997, it has been the practice of the Office of Regulatory Compliance and Quality to consent volunteers into studies informing them that the Volunteer Registry information will be retained for 75 years. This practice was signed into policy on Dec 5, 2001. In order to change this practice and this policy to 65 years, thousands of volunteers would need to be reconseented to both closed and on-going studies. It is the Office of Regulatory Compliance and Quality's request that the retention of Volunteer Registry information be extended to 75 years in accordance with their current policy and practice. The 75-year retention is contained in their local regulation MRMC 70-25 which states "For each human subject enrolled in a research protocol conducted at a USAMRDC laboratory, a Volunteer Registry Data Sheet is to be completed. The information is stored. for a minimum of 75 years." The proponent, Office of The Surgeon General, concurs with this increased retention.</p> <p>The proposed disposition instructions on this SF 115 apply to records in all media and formats</p> <p><i>cc Agency NR NARA</i></p>
