	<p style="text-align: center;">Incapacitation Pay Case Files</p> <p>AR 135-381 provides policies regarding incapacitation pay for members of the US Army Reserve, the Army National Guard, and the Army National Guard of the US. Incapacitation is defined as the physical disability due to injury, illness, or disease that prevents the performance of military duties as determined by the Secretary of the Army, or which prevents the member from returning to the civilian occupation in which the member was engaged at the time of the injury, illness, or disease. Incapacitation pay is paid only during the period a member remains unfit for military duty or demonstrates a loss of earned income as a result of the incapacitation. Payment in any particular case is not made for more than 6 months without review of the case by appropriate headquarters. Incapacitation pay continues as long as the conditions warranting the incapacitation pay exist and the approving authority determines that it is in the interest of fairness and equity to continue the payment. When incapacitation lasts for over a year, the case is processed through the Disability Evaluation System for disability separation or retirement. Incapacitation pay ends upon retirement, separation for physical disability, or determination by military service medical personnel that the member has recovered sufficiently to perform military duties, when actually returned to military duty, whichever occurs first.</p> <p>The proposed disposition instructions for the following new record number applies to records in all media and formats.</p> <p><i>Agency, NR, NWRM, NWRM</i></p>
