**Army Training Requirements and Resources System (ATRRS)  
(AR 350-10)**

**Background:** The Army Training Requirements and Resources System (ATRRS) is the system of record for management of input to training for the total Army. ATRRS is the repository for training requirements, training programs, training costs, and training personnel data. The ATRRS database contains detailed class information on all courses taught and taken by Army personnel. Training managers use this information to schedule classes, fill training seats and train soldiers. ATRRS produces reports and analyses, and can display selected data pertinent to training-requirements programs, inputs, graduates, loads, and associated information.

**Note:** Use record number (RN) 25-1kkk for source input records, RN 25-1lll for automated system administrative outputs and reports; RN 25-1mmm for automated system documentation and specification files, and RN 25-1nnn for backup files.

**RN:** 350-10m

**Title:** Army Training Requirements and Resources System (ATRRS) Master File

**Authority:** TBD

**PA:** TBD

**Description:** ATRRS contains training requirements, training programs, training costs, training personnel data, course administrative data, class schedules, Quota Allocations, Reservations, Inputs, Grad, Non-successful Completions, Loads, Cost Effective Travel Location, Funding Allocations and Expenditures. The system contains data in whole or in part from 1983 to date.

**Disposition:** KE6. Event is after reports have been cut off at the close of each fiscal year. Keep until event occurs, then delete 6 years after the event.
