RN: 690-300

Title: Civilian Personnel Employment Systems Master Files

Authority: TBD

PA: TBD

Description: Records generated by multiple Army Information Systems (AIS) to include the **Army Civilian Personnel Online (CPOL)** that contains copies of policies, laws, and procedures, and other guidance; **Army Staffing Suite System (ASSS)** which contains vacancy board and announcement information, referral lists, and electronic applicant case files; **Civilian Personnel Productivity System (CIVPRO)** that contains workflow and workload performance data including number and type of placement actions, classification actions, and other routine personnel actions submitted and processed by personnel specialist; **Army Benefits Center—Civilian (ABC-C)** which contains civilian employee benefit enrollment and maintenance data including pay information, personal identifiers, plans and options selected, and contact information.

Competency Management System (CMS) which contains workforce planning and analysis data including occupational skill descriptions, educational background information, core competency descriptions, and pay data; **Civilian Forecasting System (CIVFORS)** contains workforce analysis data including personnel demographic information, job descriptions, and career management actions (accessions, retirements, etc.); and the **Workforce Analysis Support System (WASS)** which contains personnel strength (gains, losses, etc.) population demographics, personnel identifiers, and job characteristic data.

Disposition: KE6 Event is when the data is superseded or no longer needed for analytical purposes. Keep until event occurs, then delete 6 years after the event.

690-500

These records concern the administration of the civilian personnel program. Most of the records contained in this series are prescribed by the Federal Personnel Manual (FPM) chapters 511, 512, 530, 531, 532, 536, 539, 540, 550, 571, 591.

RN 690-500

Title: Fully Automated System For Classification (FASCLASS) Master File

Authority: TBD

PA: TBD

Description: FASCLASS is a web-based system designed to automate personnel position description master files and organizational records by converting manual data and existing systems into a standard electronic form. FASCLASS interfaces with the Defense Civilian Personnel Data System (DCPDS) through a secured server. The master file contains personnel and job classification data including employee name, social security number, date of birth, national identifier, pay grade, sequence number, occupational code, personnel office identifier, and job title.

TEMPORARY. KEN Event is when position description is superseded or becomes obsolete. Keep until event occurs and then until no longer needed for conducting business, but not longer than 6 years after the event, then destroy.
