Title: Real Property Master Planning for Army Installations Systems Master File

Authority: TBD

PA: TBD

Description: Records generated by multiple **Army Information Systems (AIS)** to include the **Facility Planning System (FPS)** which provides planners and other users with an automated tool to assist in determining and analyzing facility allowances and requirements for Army organizations. The FPS provides valuable reference material about Army organizations, facility space planning criteria, Army school course data and equipment, and **Proactive Real-property Interactive Space Management System (PRISMS)** provides access to real property data and maps with associated attribution for IMCOM Region, Garrison, and Installations staffs. Additionally, it provides access to data regarding barracks space, installation status ratings (ISR) and information facilities system (IFS).

Disposition: KEN Event is on supersession or when the installation is transferred from Army control, whichever is first. Keep in AEA until event occurs and then until no longer needed for conducting business, but not longer than 6 years after the event, then destroy.
