	<p>Background Army Field Support Battalion-SouthWest Asia-Logistics, a subordinate of the 402d Army Field Support Brigade and US Army Sustainment Command, is requesting authorization for early on-site disposal of Theater Provided Equipment (TPE) reconciled property records. The existing disposition requires the records be destroyed 6 years after the property is turned in or destroyed. After discussions between functional subject matter experts, the command historian and the command records manager, the consensus is it would not be practical or viable to digitize or transfer these records to meet remaining retention period as the workload and cost involved would be significant and outweigh the benefits. All document registers for reconciled records can be retrieved electronically through the Army's web-based combat service support property accountability system PBUSE (Property Book Unit Supply Enhanced).</p> <p>This request for early disposal applies to the 401st & 402nd Army Field Support Brigades in Iraq/Afghanistan during their 2011 end of tour duty drawing down more than 7 years of combat and theater sustainment equipment.</p> <p>A legal review by the Army Sustainment Command, Office of Counsel, indicates no legal objection to the early disposal as requested.</p> <p>RN 710-2aaa Title Property book and supporting documents Authority TBD Description Documents reflecting description, receipt, and turn-in of property for which the property book officer is accountable. Included are property books, receipts, turn-in slips, reports of survey, inventory adjustment reports, and other documents supporting entries to the property book. Disposition KEN Event is when property is turned in or destroyed. Keep until event occurs and then until no longer needed for conducting business, but not longer than 6 years after the event, then destroy.</p>
