Title: Enlisted Promotion Files

Description: Information related to considering enlisted personnel for promotion other than promotion board actions. Included are promotion/advancement rosters (AAC-COI Report), computations for E4 and below advancements, approved or disapproved requests, promotion or advancement instruments, and similar or related information.

Disposition: Destroy after 1 year.

Background: The disposition for this record series currently reads, "Destroy on promotion of individual; forward with Military Personnel Records Jacket on change of MPRJ custodian." In consultation with the proponent of this function, we have determined that the description shown above more accurately describes the information involved, and the proposed new retention (Destroy after 1 year) better suits the needs of the Army for reference purposes.
