1308-01 Project management planning files. (Planned MARKS Number 70-17a)

BACKGROUND: This file number is one of those listed in NARA letter dated April 19, 1984 as unscheduled. The following description and disposition instructions meet current Army requirements.

1308-01

Project management planning files

Description

Information reflecting the project manager's master plan for research, development, procurement, production, distribution, and logistical support of a designated weapon or equipment system. These plans are used as management tools and as a means of informing highest authority of the system's status. Included are project management master plans, superseded and obsoleted parts of the plans, reports used to keep the plan current, and related information.
