**Background:** The Total Army Personnel Center, proponent for Army Continuing Education programs, has requested the creation of a new file number for maintaining records related to the Army Apprenticeship Program (AAP) governed by Army Regulation 621-5, Army Continuing Education System. The AAP allows soldiers to record and document skills they have acquired on active duty and receive certification for on-the-job training. The pertinent portion of AR 621-5 is enclosed. The file number would appear as follows:

**Description:** Documents indicating training received by Army members enrolled in the Army Apprenticeship Program. Included are military training achievements, course attendance, completion records, diagnostic tests, composite course descriptions, and scores record in transcript registry for each member, and similar information.  
**Disposition:** Destroy 20 years after completion of program, or discontinuance of enrollment. Retain in current files area for 5 years and transfer to Records Holding Area.
