	BACKGROUND: The proponent of AR 381-10, U.S. Army Intelligence Activities, has revised the Armywide disposition instructions for file number 381-10a. Rationale: The U.S. Appeals Court found that neither the FBI or NARA had adequately considered an individual's legal rights in developing and approving a schedule for the disposition of certain FBI records. A proposed ten year period is acceptable provided the legal issues raised by the U.S. Appeals Court have been adequately considered and is consistent with the retention period for the tapes of the overhearings mandated by Section 2518(8) (a) Title 18, United States Code.
