	<p>Nuclear, Chemical and Biological Warfare Arms Control Files (FN 237-02, AR 340-18-2). Documents pertaining to the regulation, production, distribution and/or reduction of actual, planned or potential strategic nuclear weapons, to chemical warfare weapons, and biological weapons. Included are documents reflecting military considerations associated with the development of agreements and the implementation of such agreements.</p> <p>Disposition: Permanent. Cut off when no longer required for current operations.</p> <p>Request authority to establish disposition instructions described above for nuclear, chemical, and biological Warfare Arms Control files. These records are classified "TOP SECRET" and accumulate in the Office of the Deputy Chief of Staff of Operations and Plans. These files relate to the development of agreements made under the Strategic Arms Limitation Talks (SALT) and document Army considerations and comments which form the basis for these agreements. Present volume is 1/2 linear foot with an estimated annual accumulation of 1 linear foot. Files are arranged chronologically and these records accumulate as a result of SALT. The Deputy Chief of Staff for Operations and Plans is the HQ Department of the Army agency responsible for international, National, joint, and unilateral nuclear, chemical warfare and biological defense.</p>
