	<p>FN 715-06 PERSONNEL DATA CARD FILES</p> <p>DA Form 2475-2 (SIDPERS Personnel Data Card) reflecting historical data and information bearing on the legal and financial rights of the individual; other personnel information; and actions reported as SIDPERS change report remarks on members assigned/attached to a military unit. Only the SIDPERS Personnel Data Card will be maintained and retired under this file number.</p> <p>DISPOSITION: Place in an inactive file when the individual departs the unit. Hold for one year in the CFA and retire to file <i>National Personnel Records Center (NPRC)</i> with the next regular shipment. Destroy 75 years after last entry or date of GSA FRC Accession, whichever is later.</p> <p>RATIONALE: The DA Form 2475-2 is a summary of the individual's military career: geographical assignments, professional development and duty status changes. It could be used to re-constitute the essential elements of the military career so far as determination of legal rights and entitlements of the military member and his immediate dependents is concerned. Under such circumstances, it must be considered as a secondary, albeit vital, security back-up for the official personnel file. Its retention standard should be the same as that of the OPF.
