	<p>The US Army Tank-Automotive Materiel Readiness Command, Warren, Michigan is presently converting <sup>all</sup> the documents under FN 228-06, Annual Historical Summary Files, to microform under MICRODIS 8047. Other Army agencies will likely convert documents under the same file number to microform in the future. Under the provisions of Subpart 101-11.506-1, FPMR, request authorization to dispose of the original <del>documents</del> records after they have been converted to microform. Further request approval of the disposition standard on the attached page for this file number. The proposed disposition standard provides for both the original records and microforms. If this disposition standard is approved, we will publish it in AR 340-18-2.</p> <p>a. The records described on this form will be micro-filmed in accordance with the standards set forth in 41 CFR 101-11.506.</p> <p>b. The original silver halide or duplicate silver halide microform and one diazo or vesicular copy of the permanent material will be retired to the Federal Archives and Records Center after the necessary quality checks have been performed and the microform has been verified for completeness and accuracy.</p>
